Re: Access to the harbour master's logbooks, 1890–1910

Dear Ms Ashworth,

I am writing to ask for access to the harbour master's logbooks for 1890 to 1910, which your catalogue lists as held in the reading room store. I am researching how the port handled the arrival of steam ships, for a book to be published next year by a local history press.

I would need to consult the volumes over about five visits in April and May. I am happy to work with whatever handling rules you set, and I can bring a letter of introduction from the press if that helps.

If some volumes are too fragile to be handled, could you tell me whether digitised copies exist, or whether the archive could photograph selected pages for a fee?

Thank you for your time. I look forward to hearing from you.

Yours sincerely,

Mariam Qureshi
